

SWOSU Biology Club Staging Plant Sale on Thursday

04.15.2016

Southwestern Oklahoma State University's Biology Club will host its always-popular plant sale this Thursday, April 21, from 8 a.m. to approximately 4 p.m. in the Memorial Student Center lobby on the Weatherford campus. The public is invited.

According to faculty sponsor Dr. Lisa Boggs, there will be a variety of both indoor and outdoor plants, vegetables, geraniums, hanging baskets, ferns, succulents and many other types of plants. The plants are grown in the university's greenhouse by the students.

The plant sale is the primary fundraiser for the biology club that uses the money to support various community and academic activities.

Additional information is available by contacting Boggs at 580.774.3090 or lisa.boggs@swosu.edu.
